# TREE CERTIFICATE

Max Snijders planted

**220 TREES**

Your contribution to tree planting helps the fight against climate change, provide habitat for animals, ensure healthy soils and restore natural water cycles while empowering local communities with income and education opportunities. Impact Hero collaborates with project partners in over 20 countries of the Global South where impact is highest.

**This certificate confirms your contribution to sustainable development through reforestation projects in the Global South.**

Scan the QR code to access more information about our impact projects.
